SHORTHORN SALE

MONDAY, NOVEMBER 14TH, BYERS, COLORADO
27 BULLS 82 LOTS 55 FEMALES

**Including a bull from Davison Ranch Co. and
10 heifers from Willard and Joan Hartley**

Seen above with a part of the great Colomeadow cow herd is Acadia Napoleon 66th, sire of numerous Champion and Blue Ribbon sons and daughters. His blood and service will be a feature of this sale.

ernally

Welcoming Shorthorn breeders and friends to their 1966 Colomeadow Sale are left to right, Mr. & Mrs. (Judy) Connie Bob Shuman, John and Bonnie Shuman, and Mr. & Mrs. (Mary Ann) Ronnie Shuman.

WELCOME TO COLOMEADOW

Once again we wish to extend a hearty welcome to all to our annual sale at Colomeadow Farms. We hope all of our Shorthorn friends have an enjoyable and profitable visit.

We invite everyone to come on Sunday for a leisurely inspection of the sale cattle. For those interested, we will arrange for a tour of our Deer Trail Ranch and a look at our cow herd which contains two "AAA" cows, 78 "AA" cows and 19 "A" matrons.

Due to a four-year drouth we are selling a number of our favorite older cows and the "cream" of our 1966 bull and heifer calf crop. Our bull offering is headlined by our 1966 National Western Grand Champion. The females selling include several Grand Champions. We don't mean to imply that every individual selling is great but they are all sound and can help many on the way to greater success in the Shorthorn Business.

Never before has quality been so much in demand. The interest in Shorthorn bulls for crossbreeding is accelerating. The breeder who raises the good ones will prosper.

Regardless of your intentions....to buy or to look...you are most cordially welcome.

John Shuman

Come as you are

The Grandsons

I have been servicing Shuman Shorthorns for over 15 years and can verify that the health of this herd is excellent. Good management and preventive medicine come first. All animals offered will be Bang's tested or vaccinated and T. B. tested. Interstate health charts will be furnished and this sale offering will be eligible to travel anywhere.

S. F. Hanks, D. V. M.
Strasburg, Colo.

My Dear John:

Evelyn and I have had a most pleasant stay with you and a most interesting look at your beautiful cattle.

You have what, I believe, we all try to achieve: overall size, deep fleshing and good conformation. If I may refer to one thing in particular it would be the magnificent spring of rib of your cows.

We will return to Australia with most pleasant memories of your family and your good cattle.

I wish you well in the future.

Sincerely,

Sir William McDonald, Speaker,
Victorian Legislative Assembly,
Melbourne, Australia.

THE SHUMAN GUARANTEE

Every animal in this catalog is honestly described and accurately illustrated. Each purchase you make must live up to everything we have promised for it and it must give you the service you have a right to expect.

If any animal purchased from Colomeadow does not meet these standards, you may return it. According to your instructions, we will refund your money (or credit your account), including any transportation charges you have paid, or will replace the purchase or do anything we can to make YOU a satisfied customer.

Kenneth Dalton, Kersey, holds his Colomeadow-bred Shorthorn steer that was breed Champion at the 1961 National Western Stock Show.

COLOMEADOW STING RAY

The first Shorthorn bull to be certified by Performance Registry International as a Certified Meat Sire. This 1964 Western Shorthorn Ass'n record seller at \$5,600 is owned jointly by Dale Petty, Eldora, Iowa, and Armour & Co. of Illinois. The Sting Ray calves...with only 13 to select from...surpassed P.R.I. standards as to rib eye, minimum fat thickness and carcass weight per day of age.

P.R.I. Certified!

With Shorthorn breeders...at least those interested in improving their product...intent on "tying" to proven carcass producing lines, the opportunities are greatest at Colomeadow. Many of the bulls and females selling trace to bloodlines represented in the two PRI certified Shorthorn sires. THE ONLY TWO CERTIFIED SHORTHORN BULLS IN AMERICA CARRY THE COLOMEADOW PREFIX...PROOF THAT COLOMEADOW SHORTHORNS HAVE WHAT IT TAKES TO PRODUCE MORE VALUABLE CARCASSES.

COLOMEADOW SILVER STAR

Owned by Arch & Peg Allen, Livingston, Mont., has made the Cruachan herd the first Shorthorn herd to qualify as "AAA" for Progeny Registry under P.R.I. The 1965 Silver Star calves averaged 519 lbs. at 205 days of age. Carcass data on his calves indicates he can soon become the breed's second Certified Meat Sire.

DELIVERY

COLOMEADOW IS AGREEABLE TO KEEP ALL SALE CATTLE A REASONABLE TIME AND TO ASSIST IN KEEPING DELIVERY COSTS AT THE LEAST POSSIBLE EXPENSE TO THE BUYER. INSURANCE FROM DATE OF SALE IS THE RESPONSIBILITY OF THE BUYER AND WILL BE AVAILABLE AT THE SALE.

The Colomeadow Family...

is anxious to make your visit here as enjoyable as possible. Call upon any one or all of us for concerned assistance--John and Bonnie Shuman, Connie Bob and Judy Shuman, Ron and Mary Ann Shuman at the Deer Trail Ranch.

Come Early To See The Cattle

Come anytime, of course. Especially so, early on Sunday, November 13. There will be informed personnel at the Byer's farm to show and talk about the cattle selling. There's a modern, new restaurant -- The Longhorn -- Byers and we know your party would enjoy Sunday dinner there.

AND THE COW HERD, TOO!

The cow herd is maintained on native grass at the Deer Trail unit. Stop there on your way to the sale (1 mile West and 4 miles South of Deer Trail) or make it a part of your Sunday schedule. You will want to see Dams of sale cattle and verify our oft-stated belief that cowherds should be uniform, have size and be practically-maintained!

Shuman Shorthorns Win!

Pictured here are just a few of the great Shuman-bred bulls that have topped important sales for Colomeadow... Colomeadow Mr. Talisman, Grand Champion at the 1965 Colorado State Fair and Colo. State Show, Grand Champion 1966 Dixie National; top of the 1965 Colomeadow sale when a two-thirds interest sold for \$3475 to Russell Edwards Family, Winchester, Ind... Colomeadow Snowstorm, Champion bull at the 1965 Ak-Sar-Ben National selling for \$2350 to Doug and Nancy Dear, Birdtrail Ranch, Simms, Mont... Colomeadow Pride of 66th, Champion and record-seller at the 1966 National Western Shorthorn Sale when two-thirds interest sold for \$6500 to Buddy Rambo, Temple, Texas.

But Colomeadow Shorthorns are more than just show winners. Look at their record in all other important measurements of excellence... Performance Registry International, Type Classification, Colorado Beef Cattle Improvement Ass'n scores. In each, Shuman Shorthorns excel. No herd has done more to take the guesswork out of its bloodlines for new buyers.

Every Shorthorn breeder in North America, intent on finding the best seedstock, owes it to himself to attend this sale. The buying opportunities have never been greater. This sale can help you make your improvement efforts more successful.

ACADIA NAPOLEON 66th - One of the few "AAA" bulls in United States. His record continues to grow each year having sired the champion bulls at the 1965 American Royal and Ak-Sar-Ben National, the 1966 National Western sale, the Dixie National and a host of other first prize winners. His get topped the National Western and Dixie National and made up the greater part of our National Western Best 10 Head.

His progeny have averaged well over \$1,000 and include the National Western record-selling bull. His dam is a half sister to the great International interbreed Grand Champion steer, PS Troubadour. We own this bull in partnership with Acadia Farms, Northfield, Ohio, and M.A. "Buddy" Rambo, Temple, Texas.

Above is an amateur picture of Louada Peerless, our other "AAA" bull that is doing very well on his job. On the opposite page is one of his first calves and you can see why we are so excited about this young sire.

LOUADA PEERLESS - This year will reach yearling Louada Peerless presents Finest and best bullheads and necks. Peerless also described "AAA" bull head and we find our customers will like the skin, sound legs, steady head and eyes. We wish to the top price of the 1960 Louada Peerless bull and we have been doing.

The fabulous Colomeadow Control. More ranchers admire this bull than any other in our sire battery and he is truly one of the most underrated bulls of the breed. His great length, bone, overall thickness, and sound legs are being passed on to his progeny. Control is also pictured on the opposite page. Few bulls move as well as does this successful sire.

COLOMEADOW NAPOLEON 5TH - Grand Champion Bull at the 1966 National Western, Denver and the Western Shorthorn Futurity. He has an adjusted weaning weight of 599 lbs at 200 days of age. We would like to reserve show rights on this bull through Houston and will deliver him about mid-February. We will furnish the buyer with semen until then. A number of our sale heifers are bred to this great prospect. His dam is a "AA" cow. His grandam topped the Von-Ber-Mar Sale at \$2,500. Fontana Clipper 2d, his maternal great grandam was a National Western Grand Champion.

A Great Sire Prospect

Colomeadow Napoleon 5th as he looked when winning the National Western Grand Championship as a junior calf last January. This win was the first time in modern history that the National Western Grand Champion bull was shown by a Colorado firm.

Colomeadow Napoleon 5th as he looked in June when he won the Grand Championship in both the open and futurity classes at the annual Western Shorthorn Ass'n Field Day. Note his great balance, good bone and overall beefiness.

Every good bull must have a great pedigree and it is not surprising that Colomeadow Napoleon 5th is a great sire prospect. His grandam, Fontana Clipper Maid, is pictured at right. His maternal great granddam had been a National Western grand champion.

Four rugged, ready-to-go bulls in the Shuman pastures. Left to right, Colomeadow Napoleon 6th, selling as lot 12; Colomeadow Control 9th, going to the East Texas sale next February; Colomeadow Control 8th, selling as lot 7, and Colomeadow Napoleon 13th, going to the East Texas sale.

COLOMEADOW NAPOLEON 18TH - His dam is a "AA" top producing cow. One of her daughters was a Greeley Sale Champion and is now in the good Chuck-O-Luck Herd. A son was Champion at The Tyler, Texas, Sale last Spring and sold for \$885 to Jack Simpson. This bull has a daily gain of 3.04 lbs.

Seen below are some more of the impressive Colomeadow-bred bulls being developed for ranch trade. It is no wonder that Colomeadow is known as the "Edellyn of the West".

Colomeadow Bellringer, 1959 Denver Reserve Champion Bull. Lot 11's dam is a full sister to this good bull purchased by Colorado State University.

One of the reasons why Colomeadow is a leading purebred establishment is because the cattle they have bred are THE KIND WHICH MADE SHORTHORNS GREAT, NOT SOMETHING FASHIONABLE, RARE, OR DIFFERENT

Shown above, left to right, Colomeadow Peerless 5th, selling in the Ak-Sar-Ben National, Colomeadow Peerless Jr., being retained; Colomeadow Mr. Fearless, selling at the 1967 National Western, and Colomeadow Sentinal, selling in this sale as lot 13.

COLOMEADOW ELIZA STARLET 2D - Few breeders would part with a female out of a "AAA" cow and sired by a "AAA" bull. Since a lot of top herds look to us for this kind, we are selling her and will try to raise another like her. Colomeadow Eliza Starlet was many times Champion although only three years old has raised two calves. She is a grand milker. Ringwell Eliza Starlet produced Colomeadow Eliza May, Grand Champion Sale Heifer at Denver which we have bought back for our herd. This is only about the second member of this family we have offered for sale. If you want the best, don't miss this one.

It's A Recorded Fact....

Colomeadow continues to win Championships in competition with the major herds of the land....at the American Royal, Ak-Sar-Ben National, National Western, Southwestern Livestock Exposition, Dixie National and Colorado and Wyoming State Fairs. Since the 1965 Colorado State Fair through the 1966 Wyoming State Fair, Colomeadow Shorthorns have garnered nearly 90 first in class and 59 Championships and Reserve Championships. In addition Colomeadow had the All-American Junior Yearling bull, Reserve All-American Spring Yearling bull, Reserve All-American Junior bull calf and All-American Spring Heifer calf. In addition the Get by Acadia Napoleon 66th was nominated for All-American consideration.

It's A Recorded Fact.....

Colomeadow Farms are members of the Colorado Beef Cattle Improvement Association. By recent comparison of registered calves weighed and recorded, Colomeadow Shorthorns outweighed the average of ALL BREEDS 88 pounds on bulls and 95 pounds on heifers (adjusted to 200 days average weaning weight and to dam's age).

Quite an accomplishment for such a significant beef-producing state. It's in the record...and that's real proof of performance!

We don't mean to brag... just want folks to know that Colomeadow Shorthorns compare with the best and IT'S A RECORDED FACT.

It's A Recorded Fact.....

Every cattleman who sees our cow herd marvels at the herd's high flesh condition. This is not the result of a fattening ration but BRED-IN, NATURAL FLESHING.

It is a recorded fact that our cows, weighed right off typical eastern Colorado native grass range at the time their calves were weaned averaged 1,205 lbs. per cow.

If you need to add more natural thickness and easy fleshing ability to your herd, Colomeadow Shorthorns can help you.

It's A Recorded Fact....

In Type Classification, Colomeadow has two "AAA" bulls and two "AAA" females...one "AA" bull and 78 "AA" females and 19 "A" cows. This is two more "AAA" and 18 more "AA" cattle than a year earlier...so we feel our cattle are improving.

That Colomeadow is the only Shorthorn herd in the United States to have produced two P.R.I. certified sires...proving we meet the test as to carcass quality and growing ability.

Colomeadow Missie 22nd, lot 29, as she looked when winning the grand championship at the 1966 Southwestern Livestock Exposition, Ft. Worth. Heifers of this quality are seldom offered for sale.

Colomeadow Right Type, champion and top seller at the 1960 Western Shorthorn Ass'n Sale. Oscar and Hazel Landaker purchased him at \$2,000. Lot 29's maternal grandam produced this champion.

COLOMEADOW ORANGE MAIDEN - Starlet Maiden is a full sister to the Denver Reserve Grand Champion Colomeadow Bell Ringer. I am sure many will wonder why we are selling so many foundation females like this one. The answer is simple...our country has had a four-year drought, our crops have suffered and we like to eat.

A german farm delegation inspect the Shuman herd. Many foreign agricultural experts have gone back to their home countries with a great admiration for Shorthorns after seeing the naturally thick-fleshed, size-for-age, quality cattle at Colomeadow.

HEADS or TAILS...

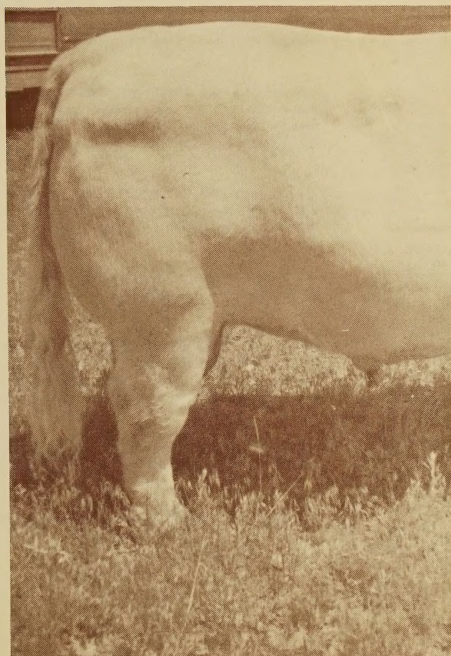

**Colomeadow
Shorthorns**

Excel!

The breedy head of Louada Peerless, above, and the bulging quarter of Ringwell Lodestar 2nd, below, typify the end-to-end quality of Colomeadow Shorthorns.

The Shumans have always paid especial attention to thick rumps, easy fleshing and good milking qualities in their cattle. What's more no breeders have been more conscious of maintaining soundness than have the Colomeadow owners.

Cows and bulls have to prove they can take it on the short-grass ranges of the Colomeadow Ranch. If they cannot travel, forage and support their calves in an A-1 manner, to market they go. Consequently, COLOMEADOW SHORTHORNS ARE BRED TO BE PROFITABLE AND TO DO A JOB FOR THEIR NEW OWNERS.

STANDARD GUARANTEE

1. A - Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

B - All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

C - With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to seller.

D - When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

E - In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such a certificate is required by the seller.

F - All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.

G - Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.

H - All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.

2. SHIPPING ARRANGEMENTS: It is the obligation of the consignors and this association to see that all cattle are properly loaded on cars or trucks as directed by the buyers for shipment. Cattle will be at buyer's risk as soon as bid off, but every precaution will be taken to see that animals are cared for properly.

BESURE TO LEAVE DEFINITE SHIPPING INSTRUCTIONS AND CORRECT TRANSFER INFORMATION WITH THE SALES CLERK.

3. INSURANCE: Coverage may be secured at the time of sale.
